Claims adjudication - US Healthcare Handling various types of claims
Whether pay or deny (2 Year's Experience) Adjustment unit - This is
area to handle denied claims, appeals, resubmission from the provider (1
Years & 8 Months Experience) Claims Adjudication: · Adjudication process
consists receiving a claim from an utilizing software. · Business rule - Need
to identify the claim services which is provided, For example Surgery,
Radiology & Pathology then relate it with correct SOP. · Final decision as
per the SOP Claims need to pay or deny(Medical Claims) Adjustment Unit:
Denied claims need to be reworked as per the work order given through
Service Form(SF) from AR executive we will review and work accordingly,
We will receive corrected claims to reprocess which includes Timely filing,
Duplicate corrections, COB which is not submitted with original claim ETC,
.... Main objective is to pay the claim to provider as per Company policy
and procedures. Worked both Hospital Claims(UB-04 form) and Physician
claims(CMS-1500 form)
